CCDC

Covenant Community Development Corporation was established in 2021 in response to the great need that we saw in the Lafayette area for families/individuals to receive additional support. We have been serving the community through ECC (now The Grove) since 2007. We are proud to be a partner with Thomas Miller Elementary School and Bauer Community Center and serve those families and individuals with love and compassion. We believe that relationships are key to building trust and helping individuals see that they can be hopeful for the future.

In 2024, through the aha! Process and Bridges Out Of Poverty, CCDC was introduced to Getting Ahead in a Just Gettin’ By World. We are excited to bring this initiative to Lafayette and to begin groups that we believe will be life changing for those that participate! This is just one more way that we can walk alongside those desiring change.

Building Bridges

Bringing together people desiring to get ahead with people who can help!

OUR MISSION

"Inspire individuals to write a new story for the next chapter of their life."

If you've spent part of your life—or most of your life—struggling to get by in the world, the idea of actually getting ahead might seem out of reach. But even if your story has been filled with barriers, vanishing opportunities, and setbacks, the next chapter can change all that. Yes, you have to write it, but you don't have to do it alone.

In a facilitated group setting, Getting Ahead in a Just-Gettin'-By World takes you step by step through a discovery of yourself like no other. It's not just about how you got where you are now. It's also about what comes next to build the life you want. Plus, you develop relationships with people who will support you all along the way.
